EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mike Badagliacca on May 26, 2009.

The application has been amended as follows:

Claims 1, 9-11, and 21: delete every instance of "material" and replace with -- fabric--.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or render obvious the front part of the headband formed from stretchable fabric and the rear part of the headband is formed from non-stretchable fabric, with the front part being that part which is closer to the visor than the rear part, such that a portion of the front part is 180 degrees opposite to a portion of the rear part along a circumference of the loop. Cunliffe (US 5,966,742) teaches an opposite configuration with the rear part formed from stretchable material and the front part formed from non-stretchable material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
